

Unisex Avery Scrub Identifiers | CID940U

The perfect way to differentiate streams and job roles without having the team in different coloured scrubs. Identifiers easily snap onto the hidden press studs on the scrub sleeve. Compatible with Avery Scrub Tops only.

Details

Compatible with Avery Scrub Tops only
Differentiate streams and roles without the need for different coloured scrubs
Identifiers easily snap onto the hidden press studs on left scrub sleeve, hidden with button holes for a clean finish
Placement on arm ensures Identifiers don't get pulled off by patients or stethoscopes
Identifiers may also be stitched at the ends for permanent application
Small monograms may be applied to call out department or name
One size fits all
Sold in packs of 5

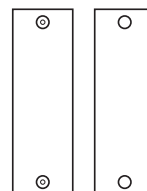

Fabric

96% Polyester, 4% Elastane, with metal press studs.
