½ CHEST MEASURED 15CM FROM HSP

STYLE F&B

- Can be used as a maternity top or as a regular tunic style scrub top
- Longer length curved front hem to cover bump
- Front Yoke with subtle curve and gathers
- Y front packet with 3x functional buttons
- Back yoke with gathers for extra room and movement
- Side stretch panels to assist with belly growth and comfort
- Side pockets, allow for a cleaner finish and limits bulk over belly
- All stress points double tacked
- Individually packed

FABRIC COMPOSITION

- Main: 52% Cotton 45% Polyester 3% Elastane, with antibacterial treatment
- Side panels: 1x1 Rib - 93% Cotton 7% Elastane, with antibacterial treatment

CARE DETAILS

- Can be washed hot at 60°. Wash inside out with similar colours. Do not bleach, soak or tumble dry. Line dry in shade. Cool iron if required.
