Black

"Evidence shows that cloth masks, particularly those with several layers of cotton cloth, block droplet and aerosol contamination of the environment, which may reduce transmission of COVID-19."

-- Science Daily, McMaster University

Screen-Printing Requirements

Screen-Print Size: 2" W x 1.5" H

A BOLD logo (High Registration/fine lines not possible at this size)

The masks are removed from their sterile bag for screen-printing. Once decorated, a sticker is placed on the inside of the mask that states: "Please Wash before Wearing".

| | |
|---------------|-----------------------------------|
