UNIQUE FEATURES

- A shirt with all the 'bells and whistles' you could ask for!
- **ANTIBACTERIAL BIZ COOL™** fabric performance! New Antibacterial treatment gives optimum anti-odor comfort and moisture wicking properties. Keeps you fresh, cool and dry
- Tear-resistant ripstop fabric is lightweight yet tough - made with your workplace in mind
- 60% Cotton, for comfort and breathability, is blended with 40% nylon to aid crease resistance and durability - the best of both worlds!
- Shoulder and back ventilation openings for maximum breathability
- Concealed buttons and Velcro closure on pockets offers clean smart appearance and is a practical 'non-scratch' exterior if your workplace stipulates this requirement
- Dynamic, bold colour contrast panels highlight your brand with great staff 'stand-out' factor
- Highly fade and shrink resistant
- UPF 40-50+ rated excellent

DECORATION

- Perfect for large, multiple coloured embroidered logos. Ample space for chest sleeve and back positioning. Can be screen printed but ripstop surface texture may affect outcome - consult your decorator for further advice.

CO-ORDINATES WITH

- Full Charger series including Charger Polo, Charger Cap and Charger Softshell Jacket for the cooler months.
